"Without these familiar buildings?"

FRANKLING BUILDING

TRADE SCHOOL

FOREWORD

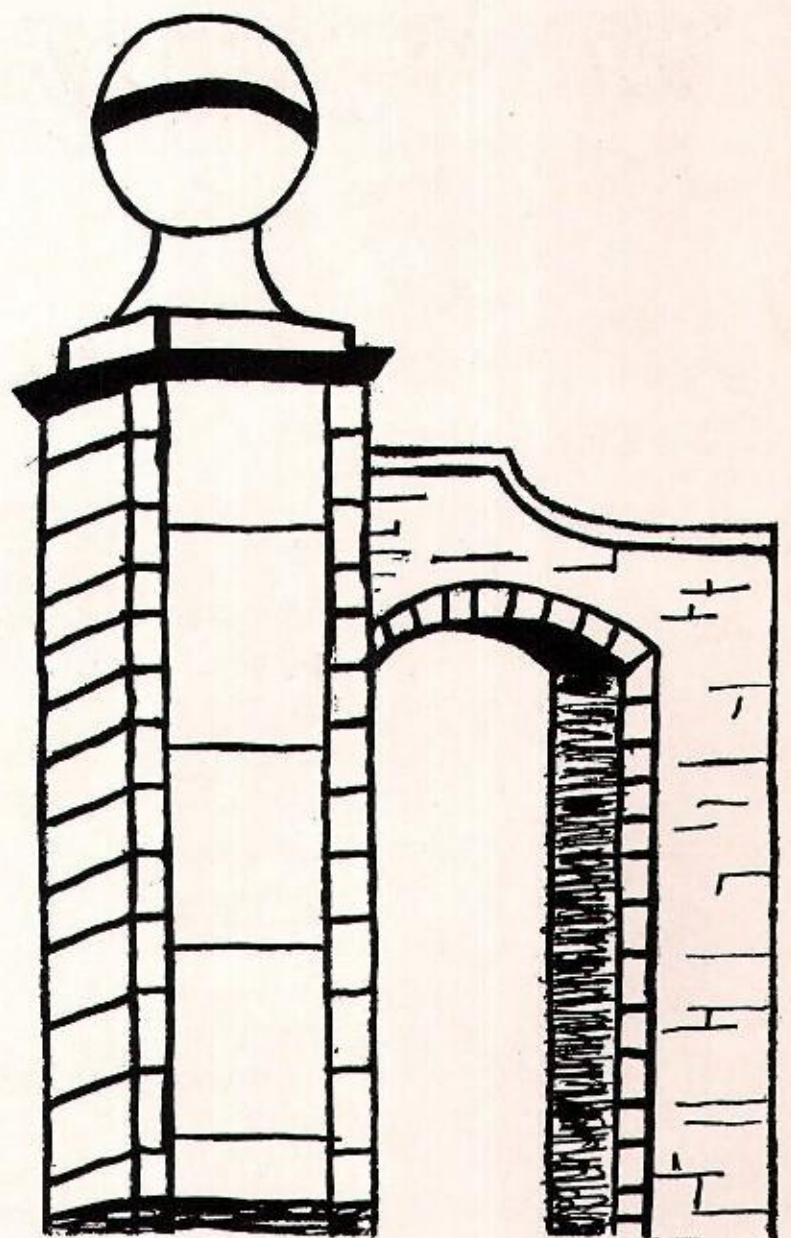

Manchester has not always been as it is today. As changes occur, new landmarks appear and become familiar to its townspeople. As in all thriving towns, it has taken many unselfish and willing hands to build the "City of Village Charm" where we live, and work, and play together.

"Buildings and landmarks"

DEDICATION

This 1955 Somanhis is dedicated to the town of Manchester and its people, past, present, and future. What is the town but the people who have worked to make it what it now is? Landmarks, familiar to us, are monuments to the great efforts of men in times past and present.

"To us are symbols of home."

Landmarks of Manchester

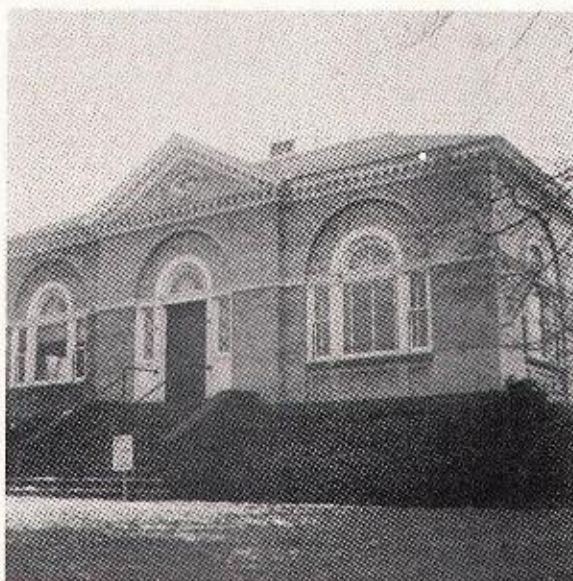

MUNICIPAL BUILDING — Was originally the Center Congregational Church, built in 1826. It was sold to the town in 1889 to be used as a town hall.

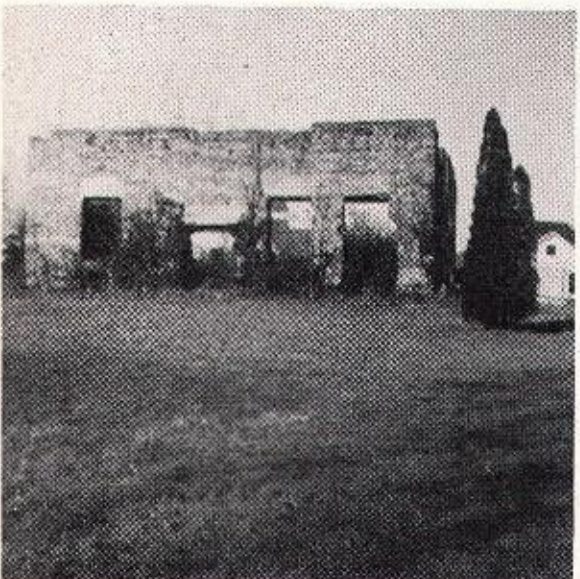

BUNCE SCHOOL — It was a three room school built before 1890, and enlarged in 1920. The school, Olcott Street, was closed but recently reopened for the use of retarded children.

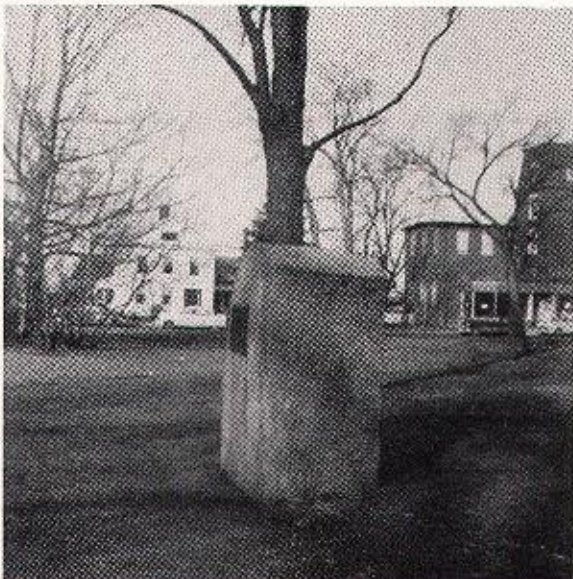

WYLLYS FALLS — These are 65-foot falls at Highland Park.

HALL OF RECORDS — Built in 1895. It was the gift of Frank Cheney to make possible more orderly management of the town business. Later it became Police Station, until 1919 when it was made a branch of the Municipal Building.

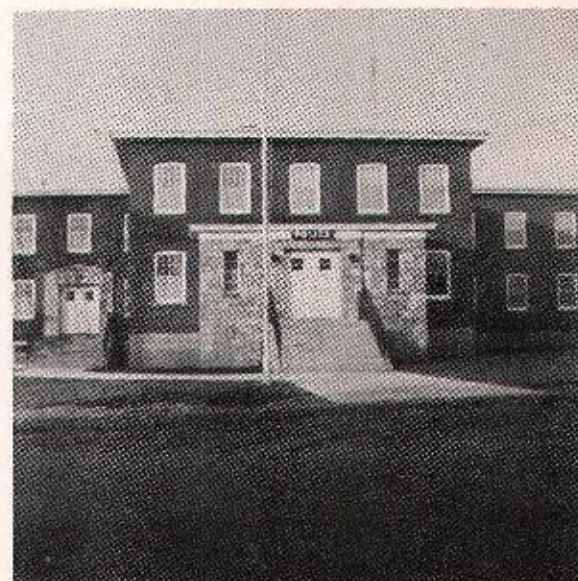

GLASS WORKS — In 1783, the sole rights of making glass in Connecticut, for the next 25 years, were granted to William and Elisha Pitkin and Samuel Bishop. The ruins of the factory still stand at the corner of Porter and Pitkin Streets.

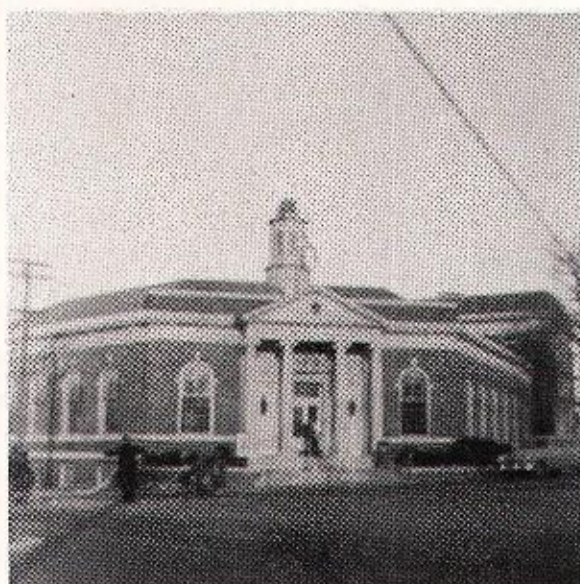

STONE AT THE GREEN — In memory of a pulpit taven built around 1700. It was founded by Deo Woodbridge and was later by his son, Dudley. It became a well-known stopping place on stage line routes. George Washington is believed to have stayed here.

arks

POLICE STATION — Was the town almshouse until 1954, when it was made into the Police Station.

POST OFFICE — Two wings of the Post Office joined and present building was built in 1932.

RAILROAD STATION — Built in the 1800's, this station was a stopping point on the single-track line which ran from Waterbury to Providence. It later became the New York, New Haven and Hartford line.

STATUE IN THE PARK — "The Soldier of Antietam," was dedicated on September 17, 1863, the anniversary of the battle of Antietam for the soldiers who took part in the Civil War.

MANCHESTER EVENING HERALD — Originally the K. of C. Hall, the present Herald office was located here sometime after 1922.

W. R. FOUNTAIN — Dedicated on July 11, 1921 to Revolutionary heroes of Ward Parish (Manchester) the Center. The cost was \$100. It was placed at the center of town, in front of the present Post Office. It is now at the West Side Recreation grounds.

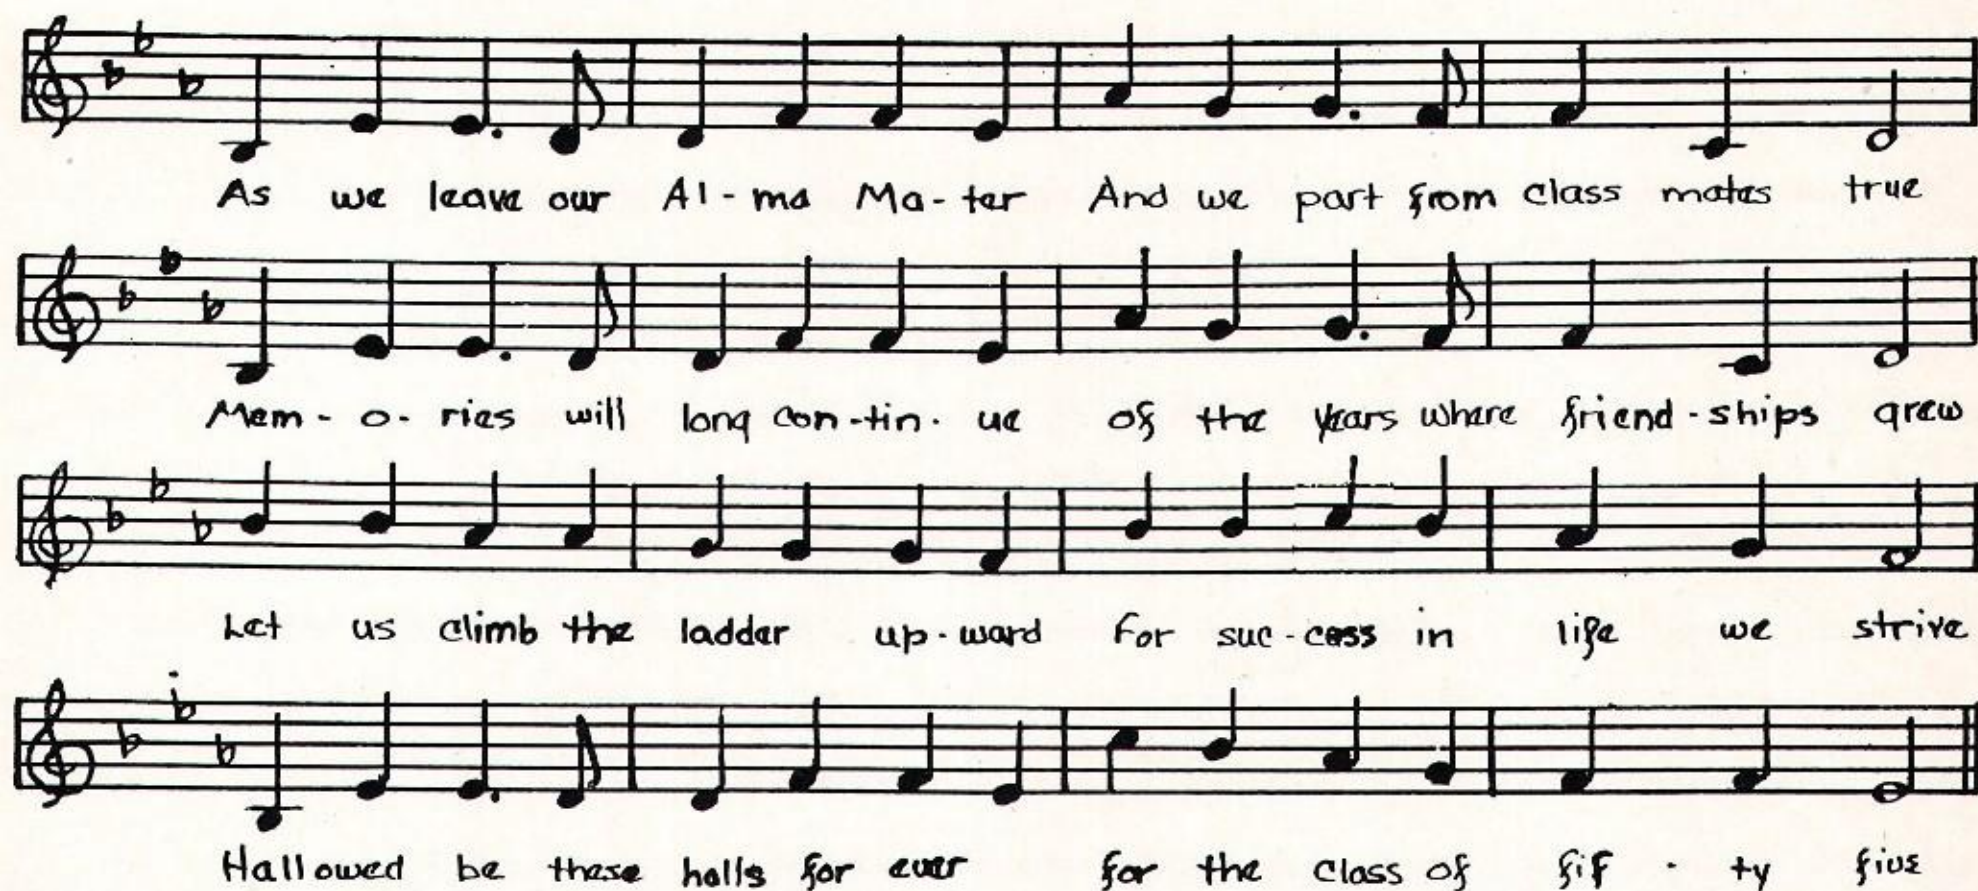

CHENEY HALL — In 1868, a community house was built on Hartford Road to be used as a meeting place and place of entertainment. At present, this building is used as a retail sales room by the Cheney Mills.

SOMANHIS STAFF

Responsible for compiling the 1955 edition of Somanhis, the Somanhis Staff combined great care and concentration to have a yearbook that was good, yet different.

Miss Ione Fellows advised and directed the editorial staff. The members worked hard to get the senior statistics, club write-ups, running commentary, "Who's Who", quotations, candida, and layout of the yearbook together.

Working jointly with the editorial staff was the Somanhis Art Staff. Directed by Miss Hope Henderson, the art staff members drew, sketched, planned, and found new ideas to carry out the theme of the book.

The staff members attended the Connecticut Scholastic Press Conference held in Milford in October. They received valuable pointers for the production of Somanhis. However, their biggest thrill of all the year was the appearance of the yearbook, Somanhis, in May.

The officers for 1955 were Robert Ososki, Editor-in-chief, and Carolyn Robert, Secretary.

SOMANHIS ADVERTISING STAFF

The Somanhis Advertising Staff, under the direction of Mr. Edward Ryder, worked hard this year as always, to solicit and obtain advertisements for the yearbook.

The members of the staff sold to the merchants of Manchester, advertising space, so that the price of Somanhis might be the same as last year. Due to the success of these "salesmen" the low price of Somanhis was maintained and all student purchasers received the benefit.

The Somanhis Advertising Staff would like to request that students of M.H.S. patronize the merchants of Manchester who contributed their advertisements to Somanhis so generously.

Jonie - I know that I should be signing my name because I'm really not in here but at least my picture is here. I'll be at the luck and success in the world to a swell. Sadie 60

**M.H.S. PUBLICATIONS
STAFF**

The M.H.S. Publications Staff took the great responsibility by soliciting advertisements from the various dealers throughout Manchester for the Somanhis. It also was responsible for securing both Somanhis and Quill subscriptions, for distributing the yearbook and the bi-annual school magazine, and for the handling of all finances involved.

The M.H.S. Publications Staff was under the leadership of Mr. Edward Ryder.

HIGH SCHOOL WORLD

The High School World, directed by Miss Helen Estes, and edited by Virginia Hanley and Judy Mozzer, reported weekly the numerous activities of the school through the Manchester Evening Herald. Each staff member was assigned a sport, club, or teachers' classes, as a beat, and occasionally given special assignments. A new addition to the High School World this year was the weekly picture-feature-story which showed the various activities of the school.

Meetings were held every Monday in the "World" office. Many members, in October, attended the Connecticut Scholastic Press Convention. In February, Bristol High School staff was invited to attend an informative meeting with pictures concerning journalism.

QUILL

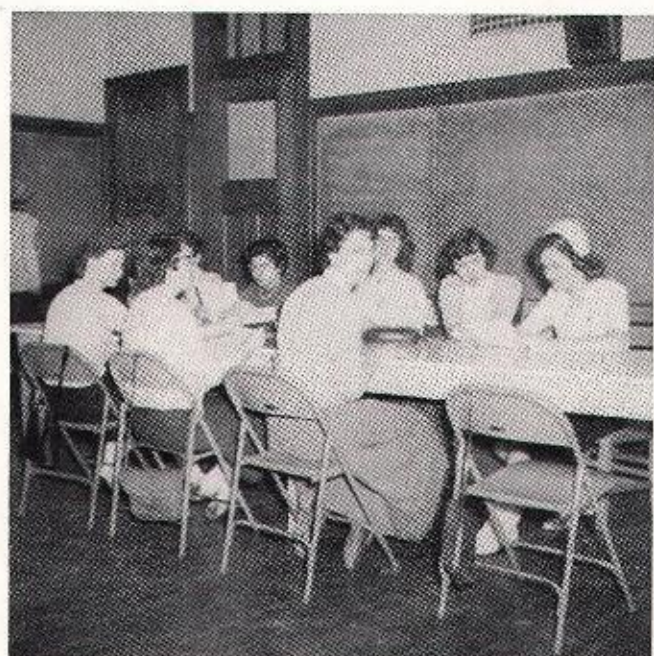

Quill, a literary magazine, is published twice a year by the Quill Staff, under the direction of Miss Marion Casey.

The Quill Staff criticizes and edits student written material. It encourages creative work in various ways, particularly by sponsoring a yearly contest in which cash prizes are awarded for the best upper-class and underclass poetry and prose.

Members of the staff themselves do considerable original writing and exchange criticisms concerning it at staff meetings, though this is not an obligation for staff participation. Purely social meetings are also held two or three times a year.

Officers for the year were: Editor-in-chief, Cynthia Dunlap; Secretary, Carolyn Kaye.

LIBRARY CLUB

The Library Club, under the direction of Mrs. Evelyn Gerard, carried on an active program this year in spite of the double sessions. Meeting twice a month, the members received instructions in the library field and learned how to check books, shelve them, file cards, make out overdue notices, process new books, and help students with reference work. The two main ideals of the club were to train the members as library aides and to teach them how to use a library for their own needs.

The annual field trip to Yale was taken in the Spring. The "pages" visited the Sterling Memorial Library at Yale University, and later, at New Haven State Teachers College, met with other library clubs that belong to the state organization, Nutmeg 020.

Officers for the year '54-'55 were: Jane Kassler, president; Josephine Leone, Vice-President; Merle Swallow, secretary; Jane Ames, treasurer.

The Paint Spots, Manchester High's underclass art club, met one evening a month in the studio to work on art and to hear speakers. In this way they learned new art methods and media.

At Christmas time the members helped to brighten the days of those confined to the Manchester Memorial Hospital. They painted the windows there with Christmas designs and sang Christmas carols to patients at the hospital and at local convalescent homes. The group also painted windows of local stores during the Cancer Drive.

The Art Service Squad, composed of students who maintain an A average in art, is a service club dedicating its talents to the interests of the high school.

Under the direction of Miss Hope Henderson, the Squad enjoyed an active year. A new project undertaken this year was a billboard advertising United Nations Week. The billboard was exhibited in Center Park.

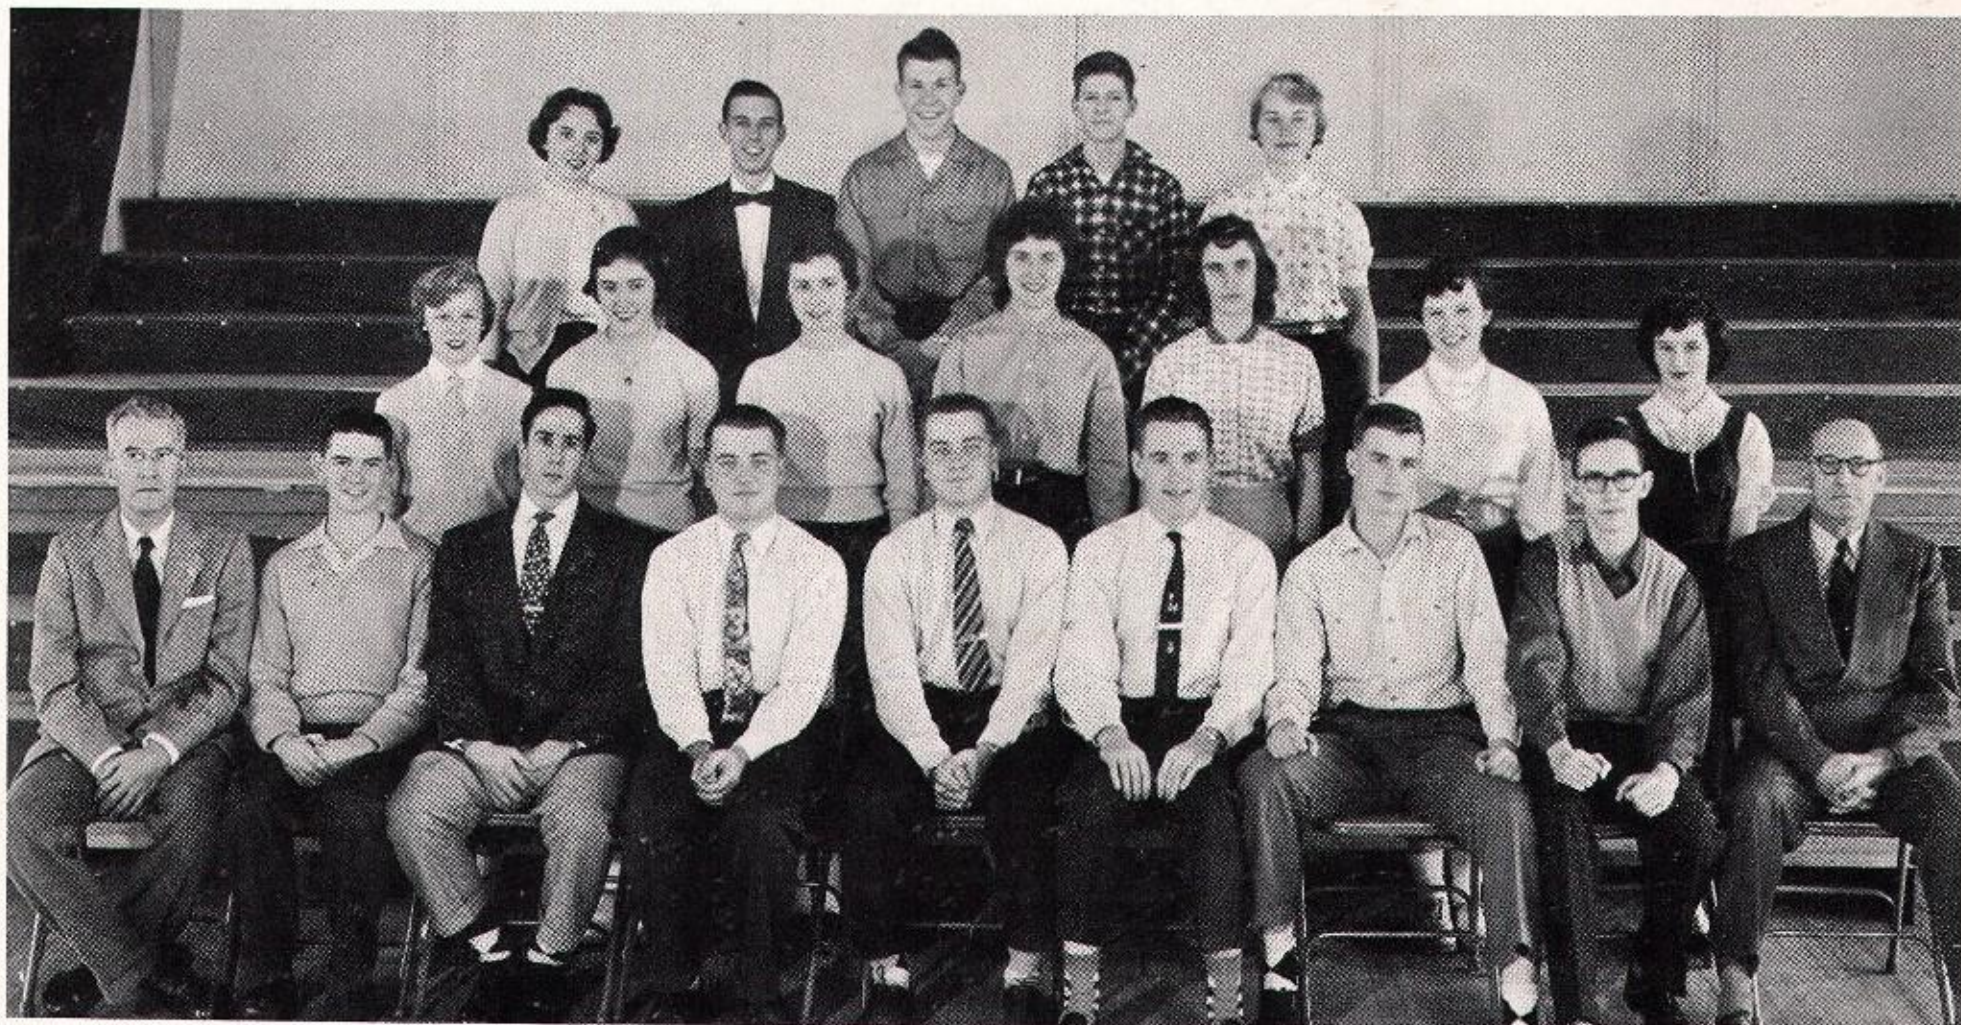

The annual Manchester High School Prom was decorated by the Squad.

In addition to many small posters and lettering jobs done for various school organizations, the Squad also helped to decorate windows at the hospital at Christmas-time and participated in the window advertisement for the Cancer Drive.

On October eleventh, an assembly debate concerning the 1954 national elections was presented to all sessions. This was held in co-operation with the Current Affairs Club which presented its bi-annual election.

In May, the club participated in the annual Scholastic Debate Meeting at the University of Connecticut. They debated the national topic "Resolved: That

the United States should initiate free trade among the free nations of the world."

Other activities in which the club took part were debates with Hartford, Stratford, and South Hadley High Schools; and in October of 1954, they journeyed to Hartford to see and hear President Eisenhower deliver an address to the people.

The purpose of the club is to train students to think clearly, to organize their thoughts, and to present them persuasively. The club helps its members in public speaking by giving them an opportunity to develop poise and confidence.

The Junior Hi-Y held at least two meetings a month at which speakers including Mr. Chester Robinson, Vice-Principal of the Manchester High School, and Mr. Lloyd Duff, freshman track coach at U-Conn, spoke to the boys.

Several joint meetings were carried out with the Freshmen and Sophomore Girls' Clubs. A panel discussion concerning boy-girl relationships was the topic at one of these meetings.

The group also undertook two service projects. One of these was helping with routine clerical work in the Guidance Office, and the other was working to help make the Bunce School, which is being used for mentally retarded children, more usable.

The Hi-Y also participated in the County Y basketball league and attended a basketball game at U-Conn.

Officers for the year were: President, Robert Warren; Vice-President, Robert McIntosh; Secretary, Richard Carter; Treasurer, Dominic Squatrito; and Sergeant-at-Arms, Richard Wright.

PAINT AND POWDER

Paint and Powder, the freshman-sophomore dramatic club, met this year in the Drama Room twice a month. With Miss Anne Beechler as director, the club carried out a program consisting of several one-act plays, a three-act play, called "A Date with Judy," a Christmas play with guests and refreshments, and visits from many speakers.

This club promotes interest and appreciation for dramatics among the students in the freshman-sophomore group and acquaints the members with all the aspects of the production of a play.

Officers for the 1954-55 year were: President, Petrine Nielson; Vice-President, Priscilla Parmakian; Secretary, Peter Beckwith; Treasurer, David Woodbury; Program Chairman, Linda Toth.

SOCK AND BUSKIN

Sock and Buskin, under the direction of Mrs. Helen Page Skinner, opened its year with an initiation picnic held at Center Springs Lodge. A state-wide panel workshop meeting was held in October when the National Thespian groups in Connecticut were invited to participate. A high-light of the meeting was two guest speakers: Mr. William Hermann and Mr. George Fiala, make-up artists on the TV program "Masquerade Party."

A trip to New York City to see "Teahouse of the August Moon" and lunch at Sardi's climaxed the activities for November. On December 3rd and 4th the annual production "On Borrowed Time" was presented, starring Edward Darna, LaLee Becker, and David Flavell. The University of Connecticut presented "The Valiant" at the Christmas party.

In January, one-act plays, directed by Thespian members of the club, radio shows and original skits were presented at regular meetings. The annual Thespian Banquet was held in March and a field trip to Yale University was held in April. Last, but certainly not least of the club's activities, was the annual prom held in May at the Manchester High School.

Officers for the year were: President, Hazel Christiana; Vice-President, Edward Stiles; Secretary, Joyce Bursack; Treasurer, Mary-Jo Powell.

CIVIL DEFENSE

The Civil Defense Club, a newly organized club this year, was under the leadership of Mr. George Dougherty. Its purpose was to provide the school with an organized group of students trained in rescue work, first-aid, and fire fighting in the event of disaster. The activities for the year included air-raid drills, movies, demonstrations, and a short course in training Rescue and First-Aid Groups, and Messengers.

The captains for this year were: Richard Gian-santi, Alan Wabrek, and James Ham.

PROJECTIONISTS CLUB

The Projectionists Club is a service club devoted to helping teachers and students operate the various audio-visual machines and other aids. They took charge of setting up and running the projectors, recorders, and in many other ways assisted the members of the school in making use of the facilities available.

Mr. Russell Wright was the faculty adviser for the junior-senior group which met the sixth period on Mondays in the Audio-Visual Office on the second floor of the Main building. The officers of the upper-classmen group were: President, Ann Roy, and Secretary-Treasurer, Ann Fisher.

The freshman-sophomore group met the fifth period on Monday under the direction of Mr. Russell Harrington. The officers of this group were: President, Richard Bodahik; Vice-President, Rodney Wright; Secretary, June Cloutier; and Treasurer, Kenneth Denino.

In the fall of 1954, the Projectionists Club took charge of classes in operating the audio-visual machines. Sixty students took advantage of these classes which members of the club conducted.

SECOND PERIOD A CAPPELLA CHOIR

Increased interest in choir study forced the forming of another choir to the present Third and Fourth Period Choirs. Under the direction of Mr. G. Albert Pearson, nearly two hundred students worked at perfecting their singing habits and standards.

THIRD PERIOD A CAPPELLA CHOIR

The Christmas and Spring Concerts and the Outdoor Festival were the goals for the singing students and each event was another success. Experiments in band conducting were made by the members who had the opportunity to lead the choir in a song of his choice. Individual singing prevented the students from dependence upon his neighbor to do all the work and helped them to acquire poise and overcome self-consciousness.

FOURTH PERIOD A CAPPELLA CHOIR

The All-State Chorus held in October was a thrilling experience to many of the members; and for the others, there were the Artists' Concert and State Audition Festival that was held in the Spring.

ROUND TABLE

Under the direction of Mr. G. Albert Pearson, the Round Table Singers provided programs of singing entertainment for various meetings of clubs and organizations during the month of December. They also took part in the annual Christmas Concert presented by the students who sing in the choirs of Manchester High School, and appeared on television for the first time. They helped to make the Spring Concert another success.

Since it is an organization smaller than the choirs, the members become less dependent upon their neighbors for guidance in singing and thus increase their skill in group singing.

FRESHMEN CHOIR

The increased number of students desiring a musical course at Manchester High School, has hastened the creation of two separate freshman boys' and girls' choirs, besides an afternoon sophomore choir. Under the direction of Mr. G. Albert Pearson, the afternoon session students have the opportunity to prepare themselves for A Cappella Choir.

The underclass choirs took part in the concerts of the high school, and undertook an evening of the Christmas Concert to show their own achievements in singing.

SOPHOMORE CHOIR

The Spring Concert and Outdoor Festival were also partly composed of the afternoon session, morning session, and in the case of the Outdoor Festival, the Junior High School Choirs.

A successful year was summed up by Mr. Edson Bailey, who stated that every musical event is better than the preceding one, and there has not been a time when one was on the same level of success.

ORCHESTRA

The Orchestra, under the direction of Mr. G. Albert Pearson, enjoyed a very active and successful season. The members played this year at the Christmas Concert as well as at the Spring Concert.

Several members participated in the All-State Music Festival which was held in October at the Bushnell Memorial in Hartford.

The Orchestra, besides playing for the various assemblies during the year, also provided the music for the graduation exercises in June.

MANCHESTER HIGH SCHOOL BAND

The Manchester High School Band, under the leadership of Mr. William J. Vaders, presented a wide variety of music to the students and to the citizens of Manchester.

A "must" in every good high school is a band. Manchester is very fortunate in having one of the best high school bands in the state. The band performed at all the home football and basketball games. It was a source of entertainment throughout the year, and was credited with arousing much school spirit at sports rallies and games.

The annual Band Concert was held May 10th. Jazz, popular, semi-popular, and march music was presented at the time.

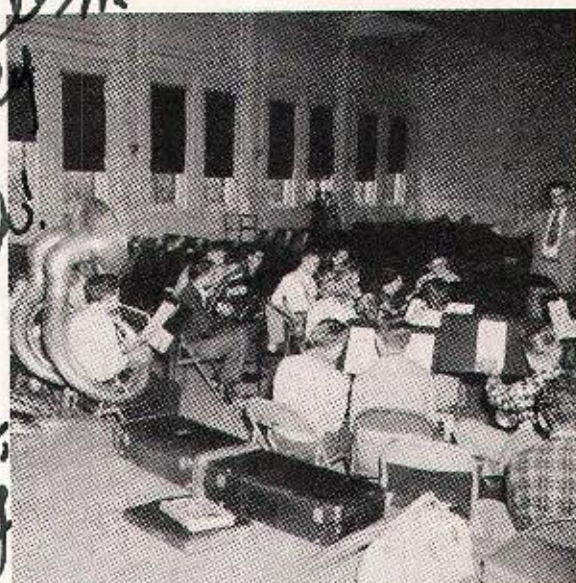

Irene Boudreau, captain, led the majorettes at various social and school functions during the year.

The band concluded its year with an annual picnic.

SCIENCE CLUB

The Science Club achieved its usual success this year under the guidance of Mr. Anthony Alibrio. Meetings were held in 36M every Monday afternoon. During the club meeting the students gave lectures on scientific topics and presented short chemical demonstrations. Field trips were taken to the Ericson Laboratory in Willimantic, to a New York Submarine Base, to the American Cyanamide Company in Stamford, and to the Chevrolet Assembly Plant in Tarrytown, New York. The Science Club also planned and conducted the annual Science Fair which has been held each March.

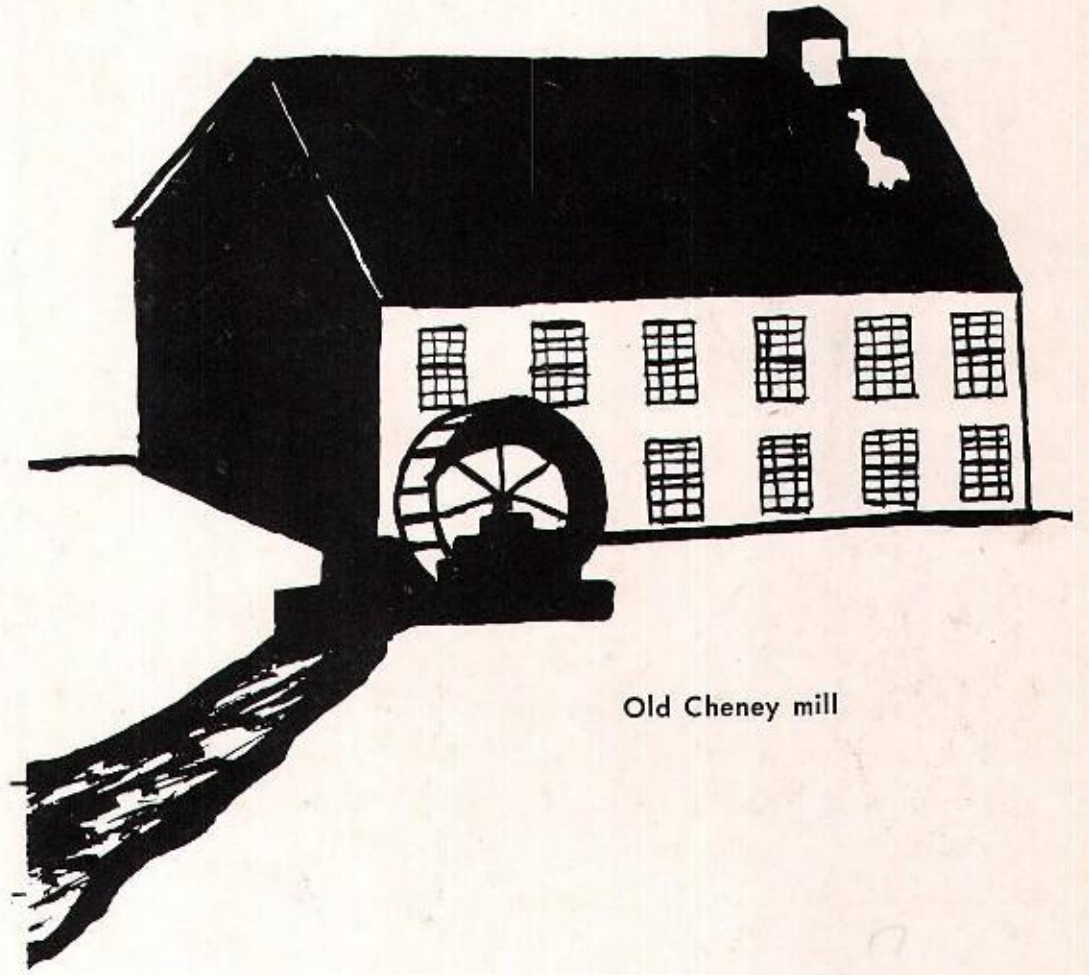

The main object of the club was to further interest in science at Manchester High School, and to plan and carry out the Science Fair in order to stimulate more student interest in science in the lower grades.

Officers for the year were: President, Richard Morrison; Vice-President and Treasurer, Raymond Kasevich; and Secretary, Nancy Slover.

STAMP CLUB

The Manchester High School Stamp Club was directed by Mr. Raymond Korbucieski. The club met twice a month in order to maintain an interest in, and to trade stamps. Some of the members attended an annual Stamp Exhibition held in New York City in November. Other activities they enjoyed at their meetings were stamp hunts and stamp auctions.

The officers for the year were: President, Nancy Breen; Vice-President, Ann Roy; Secretary, William Gordon; Treasurer, Barbara Roy.

FRENCH CLUB

The "little Frenchmen" of Miss Low's and Miss Todd's French Clubs had an active year in 1954-55. Having a chance to learn about France, her customs, and people, the students developed a different aspect of the French language. They learned many things that could not be found in books, and saw much of France through the telescope of Audio-Visual Aids.

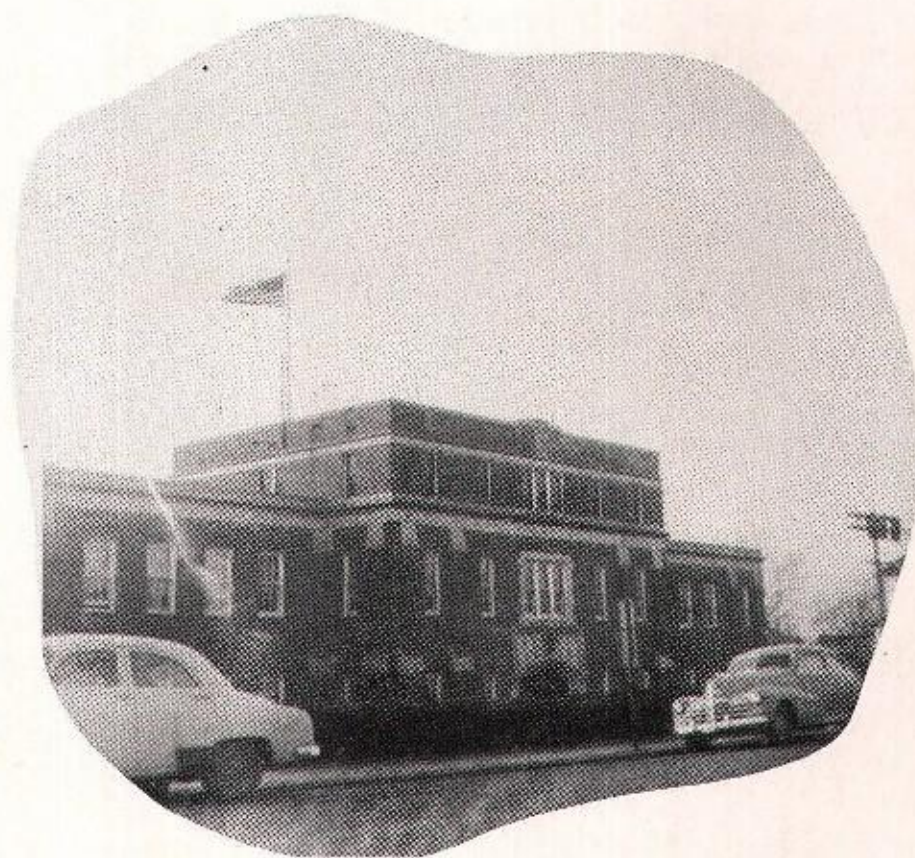

Conducting the meetings in French with roll call and a secretary's report in French, meetings helped the members to perfect their skill in speaking the language. The class room point of view was dropped and the members were responsible for the success of the meeting. Through the French Club, the members gained a practical knowledge of a language in action.

LES CERCLES FRANCAIS

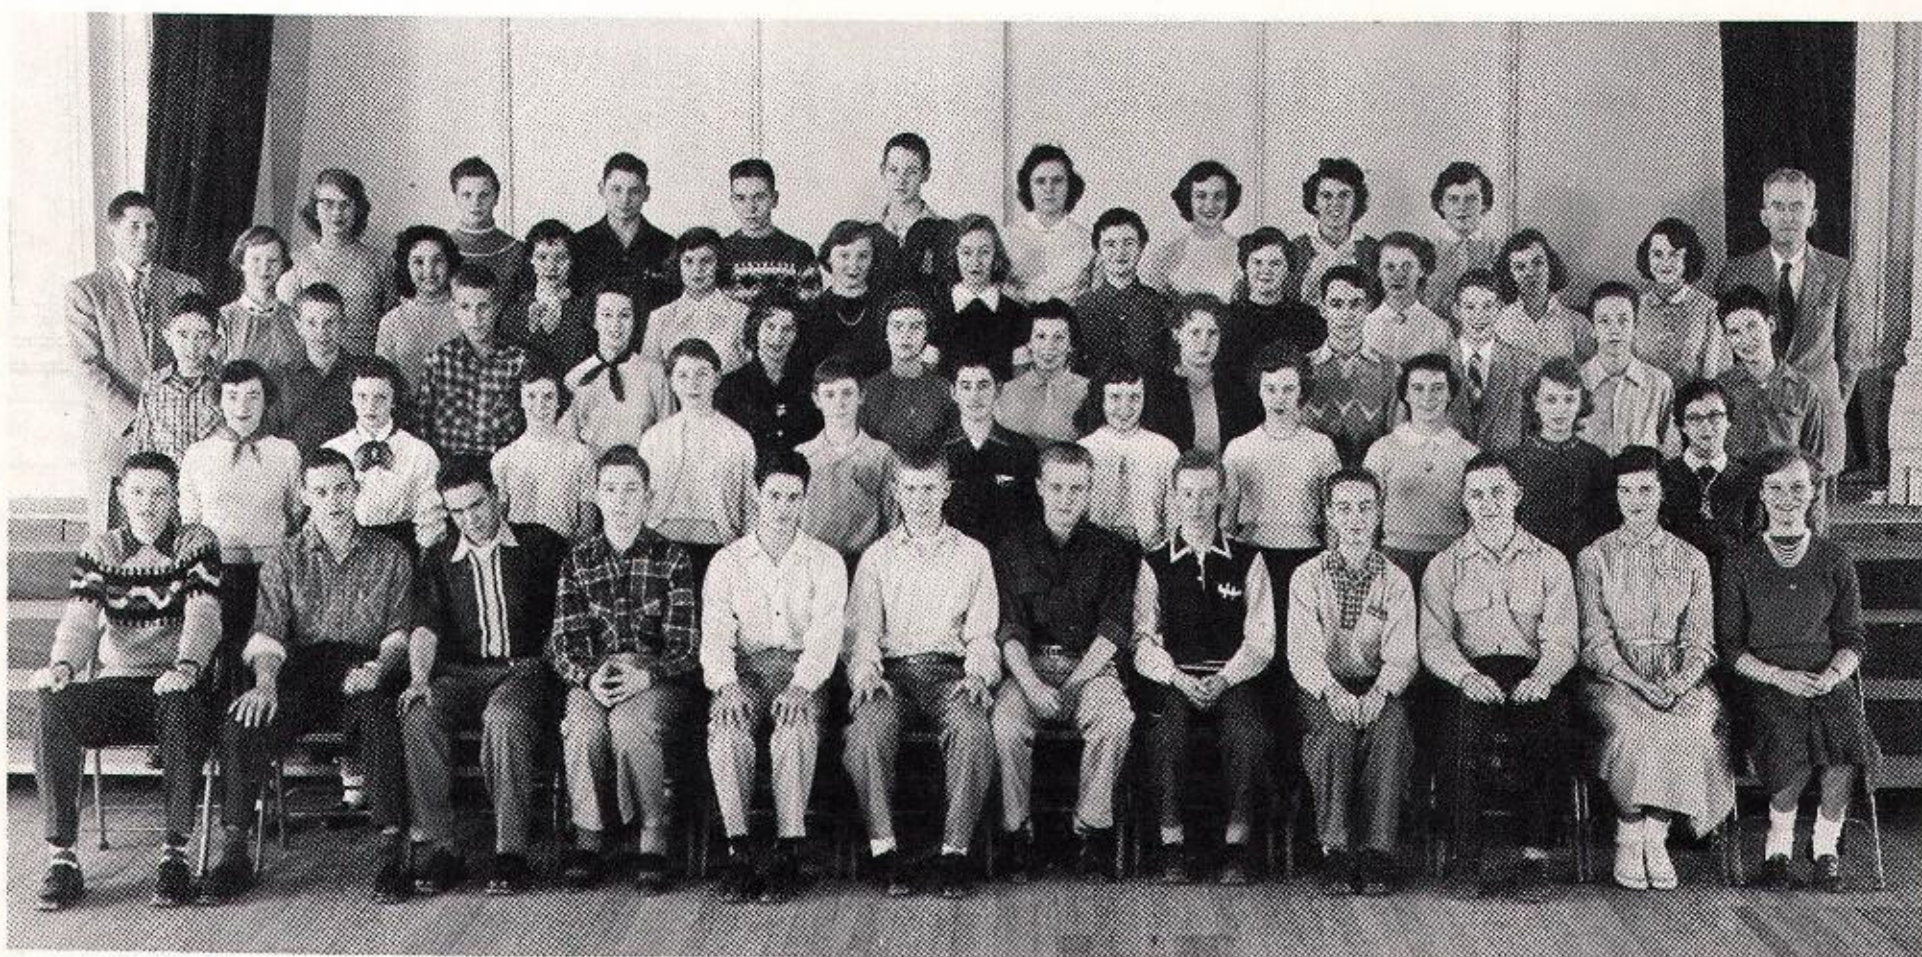

French Clubs of Miss Jeanne Low's French II and French III classes have seen many films and slides depicting the life and customs of French people. Some club meetings consisted of the presentation of skits in French, reports in French on music and art, and other aspects of French civilizations. These meetings also gave the opportunity for the hearing and singing of French songs which helped in the pronunciation and understanding of the language. It is hoped that, through these meetings, there can be more practice in the language and also, greater knowledge of the country and people can be acquired.

SPANISH I CLUB

Spanish I Club, under the guidance of Mr. George Dougherty and Mr. Michael Guadano, was formed to acquaint first year Spanish students with life among the Spanish speaking peoples of the world — their customs, traditions and governments.

By viewing slides and movies, the members found pleasure in learning. Pronunciation records and group singing records also provided a pleasant diversion for club members.

SPANISH II AND III

The Spanish II and III clubs, under the direction of Miss Beulah Todd and Mr. George Dougherty, held their monthly meetings during class periods. The third year club purchased the Spanish newspaper "La Luz" for bi-monthly meetings devoted to Spanish current events, the reading of a continued story, and drill on practical Spanish vocabulary. For their Christmas program the club presented "La Posada," a one-act play, followed by a social in the form of "La Pinata." All clubs viewed and discussed the films "Mexico City" and "Mexico Builds a Democracy." Other meetings utilized Spanish pronunciation records, records for group singing, and tape recordings.

For the second semester the program co-chairmen planned movies and colored slides, as well as games and skits, to portray the Spanish way of life, and to use and comprehend the Spanish language.

STUDENT COUNCIL

In order that the student body might participate in and become better acquainted with the democratic form of government, Manchester High School established a Student Council. The purpose of this Student Council, besides letting the students participate in their own government, is to aid in planning school policies, to help unify and support extra-curricular activities, and to further in all ways the best interests of the school.

Meetings were held twice a month under the guidance of Mr. George Emmerling, faculty adviser. A representative and an alternate from each homeroom was elected by the students on the basis of his leadership and responsibility. Each council member was assigned to one of the committees which carry out social affairs, drives, and other school activities.

The Council promoted successful activities which best interested the students. This year the Council sponsored weekly sport dances, and one of the highlights of the school year was the Manchester High School Prom. The annual campaigns, such as the S.A.A., the Junior Red Cross, the March of Dimes, and the Library Tag Day, were successfully conducted. Besides conducting drives and social activities, members of the Council and the officers of the four classes took part in student assemblies.

This student government body opened the minds of the students and helped to lead the way to our ideal democratic type of government.

Officers for the 1954-55 year were: President, Robert Buckley; Vice-President, Thomas Smith; Secretary, Olga Brondolo; Treasurer, George Dormer.

NATIONAL HONOR SOCIETY

The Verplanck Chapter of the National Honor Society was socially active in the year 1954-55, with Miss Doris Kibbe as adviser.

The group started the year with an excursion to Sturbridge Village in Massachusetts. During the Christmas vacation the Society sponsored an Alumni Night for seniors of Manchester High School and its alumni.

Members of the Society participated in a panel discussion on teen-age problems at a meeting of the Home-School Council.

The annual Induction held in the spring pointed up the purposes of the National Honor Society — to create enthusiasm for scholarship, to stimulate a desire to render service, to promote worthy leadership, and to encourage development of character.

Officers for the year were: President, George Dormer; Vice-President, John Leander; Secretary, Elza Ozols; Treasurer, William Saimond; Senior Adviser, Eleanor Seelert; and Junior Adviser, Cynthia Dunlap.

CHEERLEADERS

Cheering played an important part in our victorious athletic meets this year. The Cheerleaders, under the direction of Miss Julia Case, planned new cheers, taught them to the students in pep assemblies, and introduced to the student body two male cheerleaders. This was the first time in the history of cheering that two boys belonged to the pep squad at the same time.

With a squad consisting of eleven members, four seniors and seven juniors, they encouraged the student body to cheer their Indians on to victory. Faithful to their task, they attended all the football, soccer, and basketball games. One cannot help realizing how much our Cheerleaders added to the spirit of Manchester High School.

THE VARSITY "M" CLUB

The Varsity "M" Club, under the direction of Mr. Harry Smith, met twice a month at seven o'clock in Room 13M. The officers were as follows: President, Joseph Curry; Vice-President, Salvatore Squatrito; Secretary, George Dormer; Treasurer, Thomas Burbank.

The purpose of the Varsity "M" Club is threefold. First, to make gentlemen of the members. Secondly, to make scholars of them, and thirdly, to make them good athletes.

The Varsity "M" had as their community project, collecting books for underprivileged children and adults.

During their meetings they talked about different subjects, had movies, and guest speakers. During the year they attended some of the hockey games at Springfield, Mass.

BASKETBALL

In the beginning of the season the Indians, under Coach Elgin Zatursky, showed many signs of a winning team. They slowed down during mid-season giving their fans very little to cheer about. Although they were out of the C. C. I. L. they still had a chance to get into the state tournament. The Indians began to show some spark again near the last of the season, winning three games in a row. The last game of the season, with New London, was to determine whether or not they would enter the state tournament. They lost by four points.

Although they won no great honors the team worked well together and showed very good sportsmanship. The school record for scoring was broken by Meredith Morhardt, a senior. David Turkington, Eddie Woejck, and Norm Hohenthal will be left for the varsity next year. Some of the jayvees also showed promising signs for the future. The Jayvee team had a good season under Coach Raymond Korbucieski.

CROSS COUNTRY

Manchester High School's Cross Country Team, under the coaching of Mr. Paul Phinney, ran away with top honors in their 1954 season.

Remaining undefeated throughout the season, with the exception of a second place loss in the Eastern Invitational Meet at the University of Connecticut, the "Harriers" captured the C. C. I. L. title, and the State Championship, and went on to seize the prized New England Championship by a score of 125-64.

A team record was set in the C. C. I. L. meet when the "Indians" achieved a low score of 18. Captain Peter Close set records twice with times of 11 minutes 54.2 seconds in a dual meet at Bulkeley High School, and 13 minutes 59.2 seconds in the C. C. I. L. meet. In a 3-way tie at East Hartford, Peter Close, Robert Vinton, and Glenn Bradley set a record of 12 minutes 51 seconds.

With victories in 8 dual meets to their credit, the "Harriers" completed an outstanding season with a total of 12 wins against 1 defeat.

The Indians achieved a seasonal record of five wins over Bristol, Hartford Public High, Wall High of West Hartford, Bulkeley High, and Portland High School and one loss to Middletown. The trackmen placed third in the C. C. I. L. League, while capturing second place in the Eastern Invitational Meet at the University of Connecticut.

Individual members of the team: Thomas Smith, Joseph Curry, Roger Turkington, Raymond DesRosiers, and Peter Close were chosen to participate in the New England Meet in Durham, New Hampshire. Co-captains of the track team were Raymond DesRosiers and John Whitham.

The Indians' record totaled 8 wins, 2 losses and 3 ties. The ties were at the hands of Hall High 1-1, Newington 1-1, and Promfret Prep 2-2. The losses were both at the hands of Wethersfield, 1954 State Champs, 0-3 and 1-4. The scores of the games won are: Bristol 3-0, 2-0; Meriden 3-1, 3-0; Rockville 3-1; Ellsworth 1-0; Hall High 2-0 and Norwalk 2-0 in the state tournament semi-finals. Co-captains James Kuhlmann and Robert Buckley did a fine job in helping the team along the road to victory. The team was coached by Mr. Richard Danielson.

The Jayvee soccer squad, under Coach John Palmer, also did a good job with 4 wins and 3 losses. The Jayvee co-captains were James Lindsay and Dana Austin.

RIFLE TEAM

Coached by Mr. Gilbert Hunt, and Captained by Tom Flaherty, the Rifle team this year had much to live up to, since the team captured the State Championship last year. At press time, a record of seven wins and two losses was held by the Indian gunners; C. C. I. L. honors are already being taken for granted, since the local marksmen swept all the first round C. C. I. L. matches by top-heavy scores, and the "B" team was expected to be able to complete a similar record in the second round of matches.

The annual C. C. I. L. Individual Championships were also expected to be easy "pickings" for the fired-up Indians; league champion Thomas Flaherty will fire again, and Arthur Shorts and Jon Harrison are certain to gain winning berths. All three of the above boys are members of the team that captured the State Championship last year.

A new record for prone team firing was set in the Middletown match in February; the 494 total fired by Arthur Shorts, Ned Brodeur, Jon Harrison, Robert Miller, and William Handler bests the old mark of 493 set in 1953. Other records are in danger as the fast-moving latter half of the season gets under way.

A half dozen capable sophomores and a trio of top-notch juniors assure the team of successful competition again next year. Captain Thomas Flaherty and "Veep" Arthur Shorts are the veterans who will graduate.

BASEBALL, 1953-1954

The Indians, under Coach Tom Kelly, had a fairly good season for 1954. Although they didn't bring home the top honors, they tied for second place in the C. C. I. L.

Some of the outstanding players were Captain Bernard Alemany, Myles McDonough, Meredith Morhardt, and Gene Johnson. The team still has McDonough, Morhardt and Johnson for the 1955 season.

The "Linksmen" completed their season with eight wins in C. C. I. L. competition and with only a one-half point loss to Meriden. A double win over Wethersfield, outside the league, added to their victories. During the '54 season, the team was captained by Robert Peterson.

TENNIS

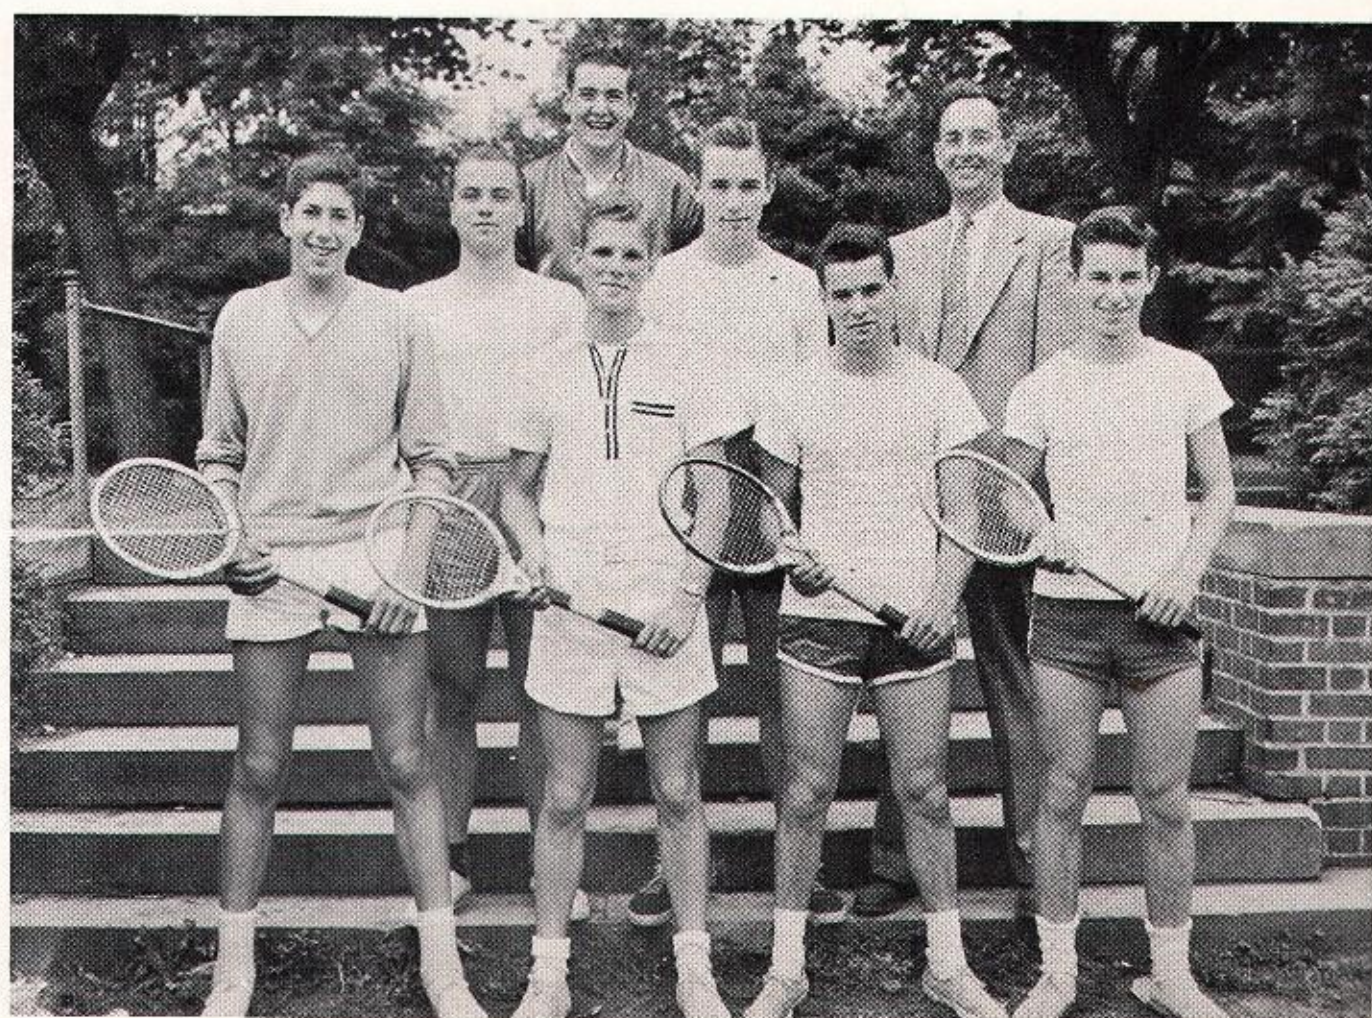

The tennis team, under Coach Richard Danielson, scored four victories and lost six games in their 1954 season. In the C. C. I. L. matches they finished third.

Mickey Fendell was accredited with playing outstanding tennis for the team.

GIRLS' SPORTS

Some of the many sports activities offered for girls were soccer, speedball, archery, bowling, square dancing, and basketball. With the double sessions, the number of participants in these sports has increased greatly. A new sport, speedball, was added to take the place of tennis.

Speedball is similar to soccer in many ways. The main difference is that in speedball, when the ball is in the air, a player may catch it and pass it as in basketball, until it hits the ground again. Then it is played just as in soccer, using the feet only.

Archery and bowling are two other sports. Archery was held in both the spring and fall. Bowling was held three days a week in the winter and one day a week in the spring.

Volleyball, softball, tumbling, and square dancing were also popular. Round Robin tournaments were often staged between the different volleyball and softball teams. There was also a Round Robin tournament held in basketball. The A.M. captains this year were: Mona Modean, Gail Bowers, Mary Moriarty, Grace Tarpinian, Cynthia Prior, Frances Obremski, and Sylvia Fisher. Mona Modean's team was the top team, with four wins and no losses, and Gail Bowers' team took second place with four wins and one loss. The captains of the teams in the P. M. tournament were: Judy Biardi, Karin Lenhardt, Patricia Kingman, Joan Iverson, and Jacqueline Durandi. Karin Lenhardt's team took first place with seven wins and two losses, by beating Team II three games in the last round. Judy Biardi's team took second place also with seven wins and two losses.

GIRLS' SPORTS

GIRLS LEADERS' CLUB

Girls Leaders' Club, under the direction of Miss Julia Case and Miss Martha Peterson, Physical Education teachers at Manchester High School, is a club designed for enthusiastic sportswomen at M. H. S. Its aim is to promote interest in sports, and to develop initiative, leadership, and responsibility.

Any sophomore, junior, or senior girl, interested in sports, who possessed responsibility to aid the teachers in conducting classes, who achieved a grade of B in physical education, and C in academic subjects, and who participated in one extra-curricular sport a season was eligible for membership. A girl received 50 points for being a leader. As one of its social activities the Girls Leaders' Club planned and held a Sports' Day with Windham and New Britain High Schools on March 19th.

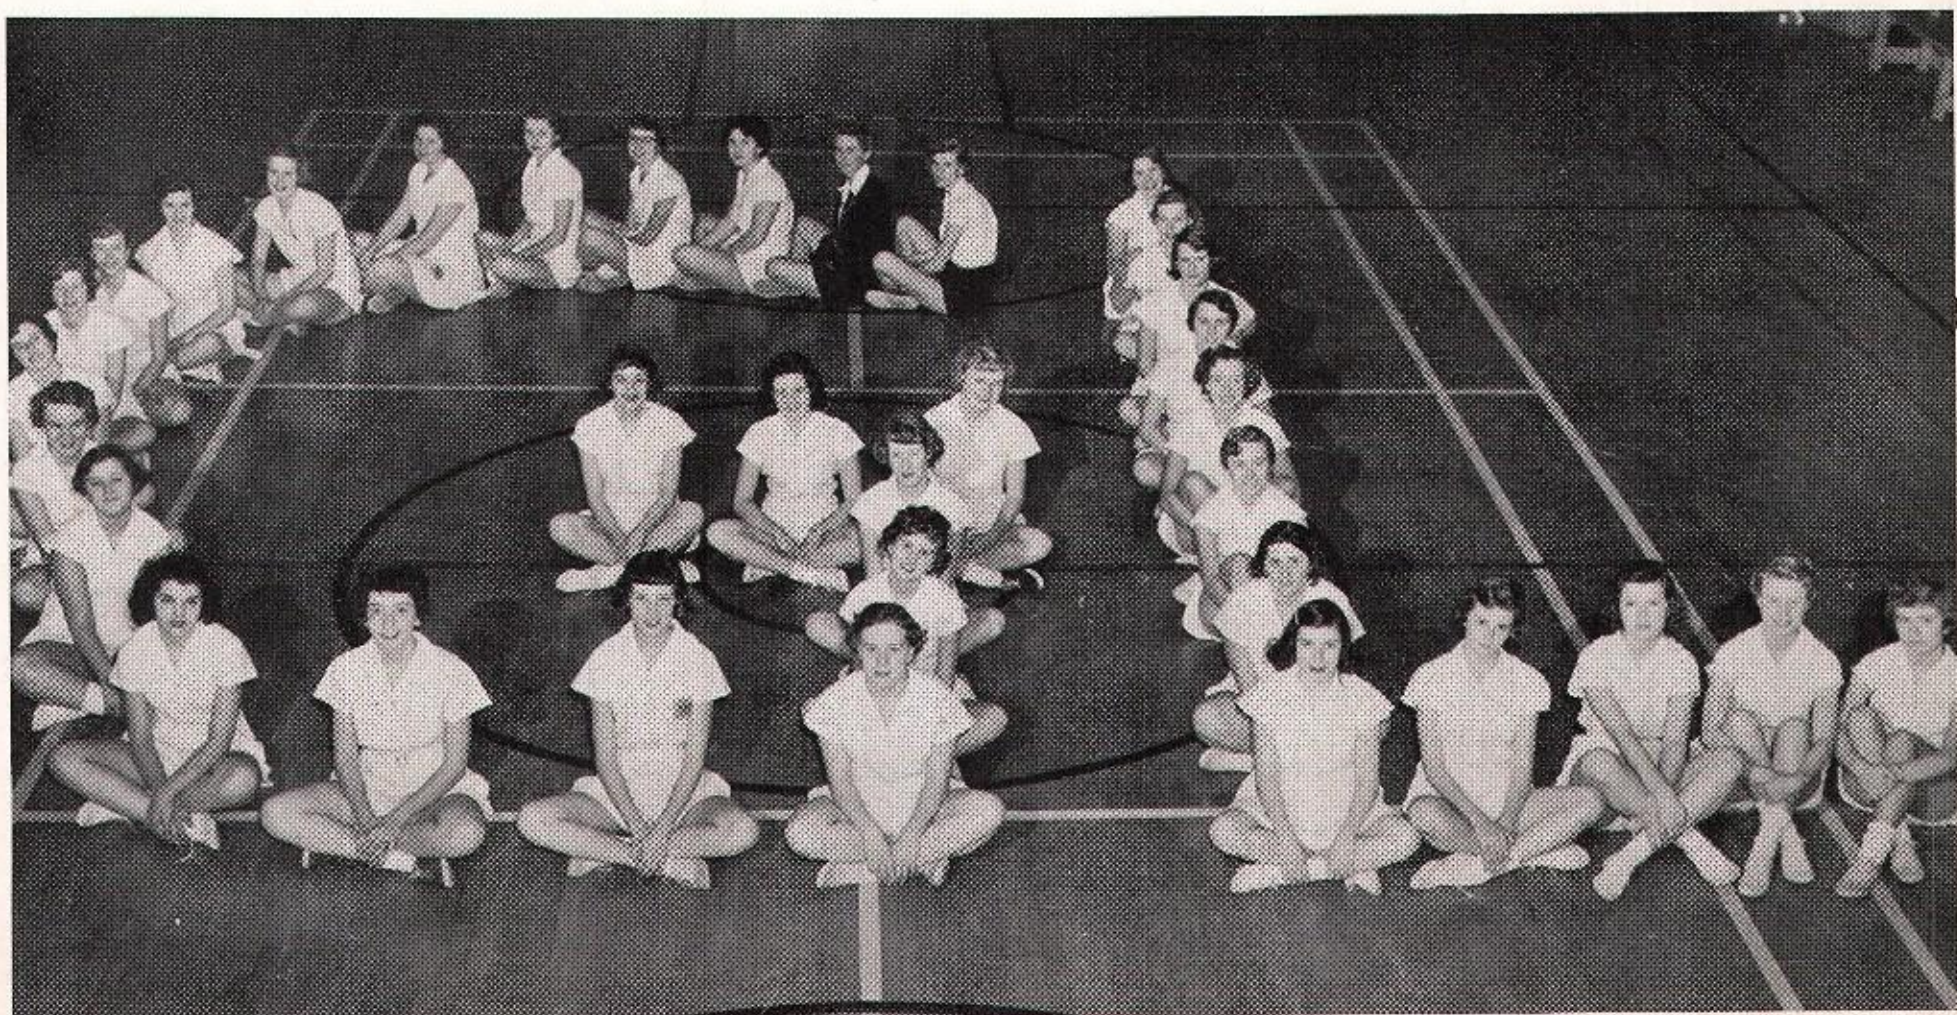

Serving as officers for the past year were: President, Mona Modean; Vice-President, Peggy Lynch; Secretary-Treasurer, Frances Obremski. Bette-Ann White served as chairman of the point system.
